

SELVANEVADA

WHITE 2022

VILLOTA
LASERNA · LAGUARDIA · RIOJA ALAVESA

The white version of the traditional house wine. The most open, cheerful and fresh representation of the entry wine. A great character linked to a place, to some varieties and to an everyday style.

14,124 bottles of 0.75 l were bottled.

2022 VINTAGE. One of the most hot and dry in the last years. Normal autumn and winter in terms of temperature and rainfall. High temperatures in spring, since May till the end of the cycle, low rainfall until August. Extraordinary sanitary conditions. Very fast vegetative cycle. Premature vegetative stop of the vineyard caused by waves of hit in summer.

QUALIFICATIONS OF THE VINTAGE.

- DOCa Rioja: Very Good.
- Álava Viticulture and Oenology Service: Excellent.

VARIETIES. 91% Viura, 6% White Tempranillo, 3% White Garnacha and other white varieties.

WINEMAKING. The grapes are destemmed with hardly any crushing and are gently pressed, with a small pre-fermentation maceration to increase the aromatic load. Fermentation is in new stainless steel tanks. The wine matures for 6 months in French oak barrels (225 and 500 litres), and is in contact with the lees and with weekly batonnage. Bottled in the first week of June 2023.

TASTING NOTES. Very light yellow colour. Fine and aromatic nose. Structured and very fresh on the palate, with a vibrant volume that attracts attention. Sensations of citrus fruit, freshness and limestone minerality. Tasty, expressive, luminous and refreshing persistence.

ALCOHOL. 14.5% Vol.

It shows the freshness and acidity typical of the estate, with a mineral reminiscence and a wonderfully balanced structure. It has a great personality.
